MEDIA APPROACH In the past, GGE has made varying use of the media available to us, with varying rates of success. A comprehensive knowledge of, and use of these media would help us greatly in fulfilling our duty to inform, educate and serve the community. we need help in developing such a programme- design, writing and production. Most of it will be alot of fun! If you can write 200 words, or speak 20, or even if you can't, come on over and see how easy it really is. For more information, call Bruce, at 821-XXXX, or at the gay office.
