AND WHAT'S HAPPENING IN TORONTO?

The I.G.A. (International Association of lesbians/gay women and gay men) was founded in 1978. Since then it has been working to link groups from different countries and to collect information on the conditions for gays and lesbians around the world. As well, it has undertaken many actions (in protest against, for examples, police raids and the murder of gays in Mexico, the prison sentence of a gay publisher in Greece, the suspension of a lesbian teacher in Australia, etc.). It has also been lobbying institutions like the United Nations, W.H.O. (World Health Organization), the European Council and the European Parliament to include gay rights among their resolutions.

This year Toronto will be hosting the annual I.G.A. conference as well as a history conference from June 30th to July 7th. A number of us are organizing a dance for March 15th in the Polish Hall in support of the I.G.A. But we need volunteers to help out. Please, if you are interested, come on out Feb. 12th in room 536, U.C. Bldg. Univ. of Guelph at 8pm, and get involved. For more information about the conference and the I.G.A. contact 105 Carlton Str, 4th floor, Toronto, Ont., M5B 1M2.

\*\*\*\* NOTICE TO ALL THE WOMEN OUT THERE \*\*

Lesbians- do you sometimes feel the need to join with other lesbian women and just talk? Then why not consider joining a Lesbian Support Group CR.? (basically a discussion group) The Lesbian Support Group (LSG) is a loosely bound group that in the past has met for such social events as Wednesday night at the Bullring. This semester, we are trying to form one or two smaller groups where we can meet and discuss everything from what bars to attend to dealing with relationship breakdowns. The topics discussed vary with the people involved and the CR should provide safe, supportive friendships.

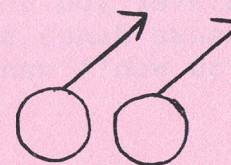

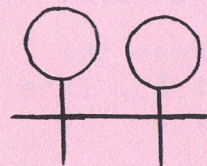

For more information, contact Ellen at U. of G. P.O. Box. 480064. Please leave some way for us to get in touch with you.
