# THE PRIDE COMMITTEE IS BACK IN SESSION

The tri-Pride Committee is back at work starting the planning for this year's Pride festivities for our community. We have a number of new committee members who will be joining the returning members to undertake this enormous task.

As well as planning Pride Day for June 5, 2005, tri-Pride will be holding a number of fundraising events over the next couple of months leading up to the big day. Please plan to attend as many of these events as you're able and show your support for having a local Pride. We will be starting things off with our third installment of "Bruised Fruit" at Club Renaissance in March. The show features some of Canada's best and brightest gay and lesbian comedians. If that weren't enough; we will also be publishing this newsletter once a month leading up to June. We hope that you will take the time to read it each month and get caught up to date on what we are planning and what else is going on in your community that may be of interest.

This year will mark the 10th anniversary of Pride in Cambridge, Kitchener and Waterloo. We will be taking note of this achievement by using the number 10 and the decades of last century as a theme throughout all of this year's Pride events. Pride has grown so much over the last ten years thanks to the efforts of so many people. This year's committee feels a real sense of obligation to expand and celebrate that as we plan, what we hope will be the largest and most exciting Pride this community has ever seen.

We're back, we're hard at work and we're going to do our best!

PS - Don't forget to join us on Sunday, February 13 for an informal get together and tobogganing at Mt. Trashmore in Kitchener from 2:00 – 4:00 pm. If last year is any indication it should be a lot of fun...see you there!
