Weekly Wednesday Cycling

Starting May 3, 5.30 pm

Starting May 3 we'll be meeting regularly to enjoy each others' company out on the road. This is a great way to get in shape for the summer — and lose some of that insulation we collected over the winter.

All levels of cyclists welcome. I'll bring my tools so we can adjust your bike to make the ride more enjoyable.

Our starting point will be at Erb and Fisher-Hallman in the parking lot of the Zehrs plaza, closest corner to the intersection.

Camping at Point Pelee

Friday May 12 - Sunday May 14

This is a must for "birders" and a good time for everyone. We'll be leaving on Friday and returning Sunday just in time to wish Mom a Happy Mother's Day!

Don't miss this one — contact Wendy (1-846-██████) by May 5 so she can arrange an organizational meeting. (Don't forget your binoculars!)

Womyn's Dance

Friday May 26, 9 pm

The Cabaret, King & Queen Streets, Kitchener

Cost: \$3, \$4

Spring into action with "Womyn's Night Out 2...The Party Continues". After hearing such rave reviews about the first "Womyn's Night Out" dance, I wouldn't miss this for the world! It sounds like the last one changed a lot of womyn's lives (this might be a slight exaggeration, but that's how it sounded to me). All I know is, I won't be left out of the fun this time.

Soccer in the Sun (or Rain)

Sunday May 28, 1 pm

Meet us on the soccer field just off Erb Street on Beechwood Drive (Cross Fisher-Hallman and take the second right off of Erb — the field is behind the large white apartment building on the right.)

Come on out for a fun day of soccer. Bring a friend, the more the merrier. After the game we'll head back to Kim's and order some food (you knew there had to be food in there somewhere).

For better directions give Kim a call (747-██████).

Community Calendar

"Pink Triangle Community Calendar" will be releasing its first issue later this summer. Available monthly, it lists groups and events of interest to the KW, Cambridge and Guelph gay communities. For more info please call Karen at 746-█.

Outdoor Equipment

Glacier Wolf Sewing has a new phone number. For all your outdoor gear repairs, call Sheila at (416) 628-█.

Thanks, Deb

A special thankyou to Deb S. for holding "Games Night" on April 7th. It was a lot of fun. (Oh, and by the way, you can deliver the Maytag washer/dryer anytime --- Wendy and I are still on Cloud 9 from winning the Newlywed game!)

What's a little rain?

In case of poor weather, don't stay home --- we'll still find something to keep you entertained. Why stay at home on a lousy day when you can be in the company of some special WOODS people!

How to reach us

WOODS
