Thank-You

Special thank-you to Wendy S. for organizing both the Point Pelee camping trip and the bike ride to Elora — both very successful.

Another big thank-you to Jan and Terry. The canoe and kayak trip was the best turnout yet at 25. We really appreciate the organizing as well as opening your beautiful new home to us. The weather proved more interesting than ideal, but everyone seemed to have a wonderful time — I know I did.

Jan, I really like your suggestion of making this a yearly event!
